CBI/RBI INDUSTRY

The Investment immigration industry comprising of citizenship and residence by investment schemes has grown into a whopping \$15 billion a year industry

Citizenship by Investment - \$5bn
Golden Visas - \$10bn

Total: \$15 bn/yr

The Concept of Citizenship by Investment (CB) first began in the small island of St Kitts and Nevis, since then it has become a \$5 billion industry.

The United States, Canada, Australia, Portugal, Greece operate some of the biggest immigrant investor or golden visa programs in the world

Our startups aim to tap into the fast growing CBI and RBI industry.

GOLDEN VISAS

Golden visas are instant residency schemes with a path to citizenship in the future against property or business investment. US, UK, Canada, Europe, Australia all offer gold visas to foreign investors. Most schemes do not require to live in the country after investment.

Investments start from €250,000 in Europe

REAL ESTATE

The demand for Citizenship and Residence by investment (CRBI) schemes also drives significant growth in real estate sector. Foreign investors can buy a hotel or residential properties to receive a citizenship or golden visa.
