The Cyprus Investment scheme for the naturalisation by exception was first established in decision no 65.824 in 2007 and subsequent amendments reduced the minimum investment required down to €2 million

CYPRUS INVESTMENT SCHEME

Cyprus Investment Program (CIP) is the first citizenship by investment program officially established in the European Union. Foreigners who meet qualifying investments eligible for fast track naturalisation in Cyprus. It is also the most popular and best citizenship for investment program in the EU.

Cyprus remains the most attractive country for investment and citizenship among UHNW families. It is a limited citizenship by investment opportunity only 700 investors are naturalized every year.

Cyprus is a beautiful country and major tourist destination in the Mediterranean. The country has high human development, offers excellent quality of living and infrastructure.

Cyprus gained its independence from the United Kingdom in 1960 now . Cyprus is a presidential republic means the president is the head of the state and the government. Cyprus is one of only three Commonwealth member countries located in Europe.

Cyprus is currently in the process of joining the Schengen area and also actively pursues to join visa waiver program with the United States.

Unspoilt, natural clean beaches and warm climate attract tourists from all over the world. Close to 4 million tourists visited Cyprus in 2018 mostly from United Kingdom, Russia and Israel. Many visitors don't know there is a winter skiing resort available in Mount Olympus
