ST KITTS CITIZENSHIP BY INVESTMENT

The Twin island of Federation of St Kitts and Nevis with just a population of 50,000 is often touted as the birthplace of citizenship by investment and granddaddy of all CBI programs. It is a platinum standard passport by investment program run by Government.

Saint Christopher (St Kitts) and Nevis became an independent Commonwealth country from United Kingdom on 19 September 1983. It was only the next year in 1984, St Kitts and Nevis established the Citizenship Act of 1984, which formed the legal basis for citizenship on substantial investments in the country.

in 2006, St Kitts citizens received mutual visa waiver with Europe's schengen area since then the popularity of the passport program reached new heights. In 2017, after being hit by hurricane, prices were cut to \$150,000 (from \$200,000) for passports.

By 2020, St Kitts and Nevis has become the richest and fastest growing economy among the OECS countries thanks to the revenues generated from CBI scheme. Approximately, one third of the population of Kittitians are living as CBI citizens in diaspora.

St Kitts has beautiful beaches, reefs, wonderful cool climate, enjoyable throughout the year. The island is well connected by flights from US, Europe and the Caribbean.
