

CITIZEN BY INVESTMENT PROGRAM

# TURKEY CITIZENSHIP

The Republic of Turkey published citizenship investment regulations in the Official Gazette on September 18, 2018, to encourage foreign investment in Turkey.

# TURKEY CITIZENSHIP BY INVESTMENT

Turkey is one of the largest economies in the world with a population of 80 million people.

Turkey has emerged as a new haven for the biggest citizenship by investment program in the world in 2020 . It remains cheapest real estate citizenship program in the world at the moment, most popular among arab and middle east investors

Foreigners who meet any of the eligible investment conditions may be eligible for fast track turkish citizenship, subject to the decision of the President of the Republic of Turkey. Unlike Caribbean passport program, Turkey does not have donation option for citizenship acquisition. The investments can be active or passive.

For just a US\$250,000 investment in real estate, it possible to acquire passports for entire family within 3-4 months.

Real estate is the most profitable of all the investments in Turkey with 150% returns,

Turkey has been a candidate country to join European Union since 1999 and part of customs union agreement with EU since 1996. The EU is the 5th biggest trading partner for Turkey. The accession negotiations with the European Union began in 2005, and later stopped by the EU in 2018
