Application for Registration as a Citizen of St. Kitts & Nevis

Important Information - Please Read Carefully Before Completing This Form

This form is to be used for making an application to be registered as a citizen of St. Kitts & Nevis under The Saint Christopher (St. Kitts) and Nevis Citizenship Act, 1984, Part II, Section 3(5).

If more than one person applies, either as a couple or as a family, **one form for each person** (including children) is to be completed. Write "N/A" in those sections which may be not applicable, e.g. employment information for minor children or spouses who are not employed, etc. Each form should be completed personally, except in case of children who are unable to write. For children who are below the age of 18, both parents must sign the form on behalf of the child as their legal guardians. In the event that one parent has sole custody over the child, or other person(s) is (are) the legal guardian(s), then appropriate documentation must be provided.

All applications made will be examined by the Government of St. Kitts & Nevis. Note that if it is felt necessary, **you may be requested to attend an interview**, which may be conducted by Government officers in St. Kitts & Nevis or at any Diplomatic or Consular post of St. Kitts & Nevis. In case an interview is required, you will be notified by the relevant Government office in due course after you have submitted your application.

Note that this is a statutory declaration. Please ensure that the information you provide is true and correct. If you make false statements or omit information requested on this form, your citizenship application could be declined. If it is found later that you have provided false or incorrect information, you may be deprived of your St. Kitts & Nevis citizenship pursuant to Part III, Section 8 (a) of the Saint Christopher and Nevis Citizenship Act, 1984, as amended in 2002, and you may face criminal proceedings.

This form is to be completed in **English**. If necessary please supply additional details on separate sheets. Please write clearly in block capitals and in black or blue ink. Cross out any errors. Initial any changes. **Do not use correcting fluid/tape.**

All documents included in this application must be in **English**, or if the original language of the document(s) is not English, the documents must be accompanied by **authenticated translations**. "Authenticated translation" means a translation done by either a professional translator who is officially accredited to a court of law, a government agency, an international organization, or similar official institution, or if done in a country where there are no officially accredited translators, a translation done by a company whose sole or main business is doing professional translations (i.e. **not** by individual translator) and accompanied by the following declaration on the letterhead of that company: "We hereby confirm that the translations hereto attached are a true and exact rendering in English of the original documents, copies of which are also attached hereto". The declaration must be signed by at least one director of the company, the signature(s) must be certified by a notary public and the notary's certification must be authenticated by an apostille according to the Hague Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents.

Wherever a document is required to be submitted as a "**certified copy**", this means a photocopy certified by a notary public to be a true copy of the original. The notary's certification must be authenticated by an apostille according to the Hague Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents.

Police certificate (sometimes also referred to as "certificate of no criminal record" or "police clearance certificate") means a confirmation from a national law enforcement authority (usually the police or a department at the Ministry of Justice or a similar government body) that you have no criminal record. In most countries police certificates are easily available upon request from a central police/government office. The procedures for obtaining a police certificate for some countries however state that the police authorities will only send the certificate directly to the foreign government requesting the certificate. In this case the certificate should be sent to the following address: Attn: Government of St. Kitts & Nevis, P. O. Box 597, 1st Floor Ministry of Finance Building, Golden Rock, St. Kitts, West Indies. It is recommended that in such cases applicants should request their police certificate prior to lodging their application for citizenship. It is also recommended that such applicants include with their application a copy of the receipt for the requested police certificate (if this is available) to assist the Government of St. Kitts & Nevis in tracking their certificate.

Note that applications can only be accepted and processed if this form is properly completed, dated and signed, and **accompanied by all requirement as listed in section D**. The only exceptions are police certificates which may be handed in separately (see above). **Original forms must be used, photocopies are not acceptable.**
