VISA RESTRICTIONS

Visa restrictions are bad and harmful, limiting people and societies away from free movement and knowing each other. The human to human barrier has only increased in recent years. Visa requirements Limits tourism revenues, education, job, business and trade opportunities in developing nations. For example, applying for US, UK and Schengen visas can be nightmare due to exhaustive paper work, long waiting times, with with fear of refusal causing a psychological trauma, driving away visa applicants.

Don't be trapped in your own country. Explore opportunities abroad.

Don't let visa restrictions curtail the future of children.
